Confidea F-CV

Confidea Flushmount Chairman Voting Unit

Description

The Confidea F-CV is Televic's chairman panel for basic discussion systems, with an integrated speaker and electronic voting. Its small form factor, housed in an elegant casing, permits a minimalistic integration into any meeting room furniture. The integrated speaker creates a distributed sound field in the meeting room, increasing intelligibility without the need for an additional room sound system. The panel has a screw-lock connector to fit a removable microphone (available in 30, 40 or 50 cm versions). A 3.5 mm jack socket is available to connect headphones or a hearing loop for the hearing impaired. The voting systems includes 5 voting buttons and an RFID card reader for identification and authentication. The chairman version has 2 additional buttons compared to the delegate unit: "*Next-in-line*" and "*Priority*".

Benefits

The Confidea F-CV is a *sleek and discreet solution* that is perfectly suited to conference rooms without an existing sound system. The ability to connect headphones provides accessibility for the hearing impaired. The range of 5 voting buttons allows for easy and detailed voting options. The

unit is available in a variety of *custom colors, sizes and finishes* to blend in neatly in any environment. The Confidea F-CV is backed by the Plixus® network and redundant cabling to ensure *maximum reliability*. Finally, its shielded microphone is immune to mobile phone interference.

Features

- Basic discussion function
- Electronic voting function
- Tactile microphone push button with integrated LED
- Tactile Next-in-line push button
- Tactile Priority push button
- 5 clear voting buttons with LED indicators: ++/+/0/-/--
- RFID card reader
- Integrated loudspeaker
- Rounded corners for easy installation
- Trademark natural Televic Sound
- Available in custom colors, sizes, finishes

Connectivity

- Screw-lock microphone connector. Microphones sold separately.

D-MIC30SL	**71.98.0053**
D-MIC40SL	**71.98.0054**
D-MIC50SL	**71.98.0055**

- Two RJ 45 connectors for loop through cabling
- 3.5 mm stereo jack socket for headphones
- Plixus-powered
